

"These stories capture the essence of the emotional rewards as well as the turmoil that one experiences as a caregiver."

--Former First Lady Rosalynn Carter

"...a 'home run'... informative and inspiring for those preparing for or engaged in a caregiving journey."

--Dr. Leisa Easom, executive director –  
Rosalynn Carter Caregiving Institute

"Well-researched, delightfully readable...smart advice...thumbs way up!"

--Sally Abrahms, AARP caregiving blogger

"...a living, breathing, upbeat conversation replete with valuable information, resources and practical advice – no caregiver should be without it!"

--Richard Della Penna, M.D. and  
Alzheimer's Association national  
board member

"...an eye-opening book that will be a great help and comfort to the many caregivers in American society...quite fascinating"

-- Foreward Reviews

"Snelling gets it...you will laugh, you will cry reading these stories – but most of all you will learn you are not alone."

--Robert Bua,  
president -  
CareScout, a  
Genworth company

"Upbeat, fun and practical – a welcome addition to the space!"

--Andy Cohen, CEO –  
Caring.com

"Snelling's authoritative debut offers expert advice and relatable celebrity stories for families and friends struggling to balance caregiving with everyday life...a sourcebook like this will likely be reassuring and essential...a smart, informative manual intended to help people take care of their loved ones while also taking care of themselves."

– Kirkus Reviews

"A Cast of Caregivers demonstrates Hollywood's commitment to the noble notion of caring for our own... we applaud Sherri Snelling for shining her spotlight... on each of us who are caring for a loved one."

-- Ken Scherer – CEO of Motion Picture & TV Fund Foundation

"Sherri Snelling is one of the smartest people I know on the subject of caregiving... her expertise is especially timely and valuable."

--Rich Eisenberg, Sr. Editor –  
PBS NextAvenue.org

# A Cast of Caregivers
